## Promo Ideas

### Back to School

Back to school needn't be angst-ridden. There are plenty of fun products to give to students on their first day. Consider lunch bags, rulers and lanyards for IDs, all emblazoned with the school mascot. Older students would surely benefit from a USB flash drive loaded with class syllabi and other important information.

### Field Day & School Dances

Students interacting in non-classroom environments is beneficial in ways that can't be provided in a text book. Use the opportunity to cement the positive feelings with cool branded products. For Field Day, think about giving students logoed socks in the school's colors (trust me, they'll love them), water bottles, sunglasses and jump ropes.
